### Hiking Guidelines

- **BE BEAR AWARE!** Avoid surprising bears by making noise—call out and clap your hands at regular intervals. Do not leave food or backpacks unattended at any time. Carry bear spray and know how to use it. Guard against accidental discharge.
- **Respect wildlife.** Do not approach or feed animals. Observe and photograph from a safe distance. Stay at least 100 yards from wolves and bears, and 25 yards from other wildlife.
- Pets, bicycles and vehicles are **NOT** allowed on trails or in the backcountry.
- Hike on established trails to prevent erosion. Do not cut switchbacks.
- Stock has the right-of-way. Step off the trail on the uphill side, and remain quiet while horses pass.
- During July and August, trailhead parking areas may fill early in the day. Begin early and carpool if possible to avoid problems. Parking on natural vegetation results in permanent damage to plants and may start a fire. Please obey posted parking regulations.
